INTELLECTUAL AND INDUSTRIAL PROPERTY RIGHTS

This website, including but not limited to its programming, edition, compilation and other items needed for its operation, the designs, logos, text and/or graphic elements, are the property of the OWNER or, should it be the case, whomever has been explicitly licensed or authorised by the OWNER. All the contents of this website are duly protected by intellectual and industrial property regulations and entered in the corresponding public registries.

Regardless of their intended purpose, total or partial reproduction, use, exploitation, distribution or marketing of these shall require prior written authorisation by the OWNER. Any unauthorised use shall be considered a serious infringement of the OWNER's intellectual or industrial property rights.

The designs, logos, text and/or graphic elements that do not belong to the OWNER and that may appear in the website belong to their respective owners, who shall be held responsible for any controversy that may arise in their regard. The OWNER explicitly authorises third parties to redirect to specific content in the website or to the main website: www.orbinox.es

The OWNER recognises third party ownership of the corresponding intellectual or industrial property rights and refuses any rights or responsibility over these deriving from their mention or appearance in the website, as well as any obligation associated with support, sponsorship or recommendation of the same.

Any information or communication regarding the possible infringement of intellectual or industrial property rights or the contents of this website must be transmitted by e-mail to the following address: ovi@orbinox.com

DISCLAIMER

The OWNER shall be exempt of any liability derived from the information published in this website, provided they are not aware that this information has been manipulated or submitted by a third-party unknown to them, or if that is the case, they have acted in earnest to remove this information or make it impossible to access it.

Cookies policy

This website uses cookies. You can allow, block or eliminate the cookies installed in your equipment by changing the settings of the browser in your terminal or device.

More information and how to change the settings in the “Cookies policy” section

Links policy

You may be redirected to contents of third-party websites from this website. Given that the OWNER cannot always control the contents entered by third parties in their respective websites, they shall not be liable for said contents. Nonetheless, the OWNER shall immediately remove any content that is in violation of domestic or international legislation, moral norms or public order, immediately remove direct links to the corresponding website and inform the competent authorities of the situation.

The OWNER shall not be held liable for stored information and contents, including but not limited to, forums, chats, blog posts, comments, social networks or any other medium used by third parties to publish contents independently on the OWNER’s website. However, in compliance with the provisions in Articles 11 and 16 of the LSSICE, the OWNER shall collaborate actively with all users, authorities and security forces to remove or, if needed, to block all content that may affect or infringe on domestic or international legislation, third party rights, moral norms or public order. If a user considers that certain content in the website may fall under the definition above, they are urged to inform the website administrator immediately.

The website has been reviewed and approved for proper operation. Thus, proper operation is initially guaranteed during 365 days per year and 24 hours per day. However, the OWNER does not rule out the possibility of programming glitches or that causes of force majeure, natural catastrophes, strikes or similar circumstances may take place and make it impossible to access the website.

IP addresses

The servers of this website may automatically detect the user’s IP address and domain name. An IP address is a number assigned automatically to a computer when it connects to the Internet. All this information is recorded in the server’s activity file so the data can be subsequently processed to obtain statistical data concerning how many pages are printed, how many visits are made to web servers, the order of the visits, points of access, etc.

APPLICABLE LEGISLATION

All parties shall submit to Spanish legislation for the solution of any controversy or legal matter associated with this website or the activities it entails.
